

# Welcome to the Traveling Care Program

The Traveling Care program provides additional support to mothers and caregivers traveling with a pediatric patient during prolonged hospital stays or medical appointments. We offer gas cards, food vouchers, and essential self-care items to help ease the burden.

## Eligibility:

- Caregivers residing in Onondaga County experiencing unexpected hospital visits with a pediatric patient.
- Onondaga County residents traveling out of the city or state with a pediatric patient for medical care.
- Caregivers with a pediatric patient hospitalized for longer than 5 days.(Local or non-local)

This program operates solely on donations and is not guaranteed.

There are no income guidelines; recipients are selected based on the order of request. We adhere to a strict non-discrimination policy, ensuring that all persons, regardless of background or circumstance, are treated with fairness and compassion.

Submit a service request form, and our team will contact you within 24-48 hours.
